Whereas the Company has filed with the Lieutenant-Governor in Council the documents required under Part VI. of the said Act:

This is to certify that the undertaking, as submitted, has been approved by the Lieutenant-Governor in Council, and that the same is as follows:—

To divert 250 cubic feet of water per second from Swift River, the point of diversion being at the first gorge west of a large creek flowing at the southern end of Cariboo Mountain, provisionally identified as Porter Creek, the water to be returned to Twenty-mile Creek, a tributary of the Quesnel River, about twenty miles west of Quesnel Forks. The ditch line, of approximately nineteen miles in length, will be constructed across public lands.

The site of the reservoir, comprising an area of approximately 10 acres, will be acquired by purchase and mineral location. No lands belonging to private parties will be affected.

The said water will be used for hydraulic mining and power purposes in developing ten hydraulic mining leases, the property of the Company and situated at and adjacent to Twenty-mile Creek.

And this is further to certify that the amount of the capital of the Company is one million seven hundred and fifty thousand dollars, the whole of which capital is fully paid up.
